RAFFLE POKÉDEX

How to enter the “Who's That Pokémon?” raffle

1 Take ONE Pokémon sticker with a number on it.

Only numbered stickers count. Stickers without a number aren't in the raffle.

2 Type your number into the Raffle Pokédex on this iPad.

Make sure the picture and name match your sticker, then tap ADD. Use the iPad, not your phone, so your entry counts.

3 Wear your sticker. It's your raffle ticket!

Stick it on your shirt so you're ready when your Pokémon is called.

4 Watch the TV for “Who's that Pokémon?”

We draw all party long. If the TV reveals your Pokémon, shout its name and come claim your prize!
